eliminating racism empowering women

Golden Gate Silicon Valley
YOUR YWCA IS ON A MISSION.

YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom, and dignity for all.

We're also on the front lines advocating for rape crisis funding, immigration reform, voting rights and many other issues that impact women and girls both locally and nationally. We have a geographic reach from Marin to San Jose and served 25,000 individuals last year.

For more information on YWCA Golden Gate Silicon Valley please visit our website www.yourywca.org.

In its 32nd year, YWCA Golden Gate Silicon Valley's Inspire Luncheon is a fundraising event that attracts hundreds of attendees, including corporate and community leaders, elected officials and professionals from throughout the Bay Area. Each year, Your YWCA celebrates and honors an influential guest speaker who is an advocate and ambassador for change. Past speakers have included Susan Rice, Gloria Steinem, Jane Goodall, Geena Davis, Sally Ride, Janet Reno, Benazir Bhutto, Anita Hill and Tarana Burke. The goal of the event is to deepen the engagement of YWCA supporters, raise funds for YWCA programs and services, and raise awareness about societal issues at the intersection of race, gender and violence.
